Product Data

General	
Power	80W
Driver included	Yes
Lifespan	50,000 Hours
Warranty	3-5 Years
IP Rating	IP65
Surge Protection	10KA
Operating and Electrical	
Input Voltage	AC85-265V
Input Frequency	50 to 60 Hz
Power Factor	>0.95
Ambient Temperature range	-30 to +50°C

Mechanical and Housing	
Housing Material	Die-casting Aluminum
Optical Cover Material	Polycarbonate
Overall Length	676mm
Overall Width	303mm
Overall Height	186mm
Light Technical	
LED Source	Philips Lumileds SMD3030
CRI	>70
Efficiency	120lm/W ± 5%
Color Temperature Range	3000K-6500K
